

Import New Zealand Tax Scales 2019/20

Attaché Payroll tax scales for the 2019/20 financial year are now available. These tax scales are suitable for all versions of Attaché Payroll.

You can get the new tax scales by:

- downloading them [via the Attaché menu](#) (Setups | Payroll | Tax Scales | Download Tax Scales from Web).
- downloading them from the Tax Scales page of the [Attaché Members website](#). Note that the version of the tax scales to download depends on whether you are using **Attaché BI version 3.6 or later (including Attaché 18)** or **Attaché BI version 3.5 or earlier (including Attaché 1.x)** To find your version of Attaché, choose Help | About.

See [how to download via the Attaché menu and import the tax scales](#)

New payroll tax scales for New Zealand, effective 1 April 2019

The tax scales are dated 1 April 2019.

You should install these tax scales before processing pays with a pay period ending on or after 1 April 2019 but they should not be imported before that date.
